1. On review of your screening mammogram, if an area needs further evaluation, we will contact you to schedule an appointment. (There is an additional charge for these views).
2. If an ultrasound exam is recommended, this is considered a separate study and is billed separately.
3. In the event that additional views and/or breast ultrasound is performed on the same day as your screening mammogram, be aware that there is an additional charge for these exams.

**PLEASE BE ADVISED THAT A DIAGNOSTIC MAMMOGRAM AND/OR BREAST ULTRASOUND ARE NOT CONSIDERED TO BE A PREVENTATIVE EXAM AND MAY INCUR ADDITIONAL OUT OF POCKET EXPENSE.**

To the best of my knowledge, all of the above is true and correct.
